

**ILS** Owner/Manager Solutions

# Keeping your fleet afloat is what we do.

- Increase profitability of your fleet by finding critical parts faster
- Manage inventory and procurement processes
- Turn surplus into cash

Inventory Locator Service,<sup>®</sup> LLC (ILS) is the premier marine supply chain solutions company, with over 20 years in the industry and subscribers worldwide. The ILS Marketplace (ILSmart) is a large procurement network that helps ship owners instantly locate suppliers and service providers around the world, saving them time and money.

[www.ILSmarine.com](http://www.ILSmarine.com)

ILSmart features standard services that help ship owners and managers to efficiently find parts and services. Locating parts can be as simple as entering a part number or keyword. The ILSmart search engine will look for the data entered in all the inventory listed in the marketplace, the supplier directory and all Message Broadcast to find the information you need.

Create Message Broadcasts on ILSmart to notify suppliers around the world about the needs of your vessels in both day-to-day and emergency situations.

With ILS Supply Chain Solutions, you can manage your business processes from sales management and order fulfillment to inventory management.

**Additional Services**

Visibility in the industry is important, but knowing the trends can be equally beneficial. ILS can provide valuable supply and demand data and trend information to assist you in making the best possible business decisions.

Sell surplus inventory at your desired price with an Auction on ILSmart. Auction information will be publicized through a comprehensive promotional package designed to attract interested buyers and move your excess items.
