# Reach new customers around the world quickly and easily with ILSmarine.

- Quickly expand your customer base
- Simplify communication with customers
- Drive continuous improvement in inventory planning and processing
- Improve brand awareness

Inventory Locator Service,<sup>®</sup> LLC (ILS) offers ILSmart, a premier marketplace for listing your available inventory with marine and government subscribers worldwide. Visibility to a large procurement network is critical to growth, and ILS can help you target and tap into specific market segments and increase your sales.

**ILSmart improves your interaction with customers through the ILS Exchange and ILS Catalog.**

ILS Exchange is designed to streamline and simplify the process of sending and receiving RFQs and quotes. We provide a time-saving, single interface for you to manage all RFQ and quote history.

Create an ILS Catalog to help your customers find what they need quickly and easily.

*What can an ILS Catalog do for you?*

- Provide your product information to customers online
- Help your customers send RFQs to you
- Relieve you of the expense of printing, mailing and updating your paper catalog
- Improve your customer support by eliminating mistakes

ILS also offers banner ads to provide additional selling opportunities. ILSmart Banners can be targeted to appear when specific parts or keywords are searched on ILSmart, so your company is more visible and establishes brand recognition with customers.

With ILS Supply Chain Management Solutions (SCM), your company will benefit from using a system that works well with and can be integrated into ILSmarine. Our SCM Solutions manage your inventory as well as your sales and procurement processes.
