

# Acquire new business and reduce turnaround time through streamlined processes.

- Procure parts efficiently and at the best possible price
- Reduce turnaround time
- Manage inventory and repair order processes
- Monitor the needs of potential customers with Message Broadcast Alerts
- Make your capabilities visible to the industry with a detailed company profile

Inventory Locator Service,<sup>®</sup> LLC (ILS) offers the world's most active marine and defense marketplace (ILSmart). This marketplace provides everything your company needs to run an efficient operation and maximize profits. ILSmart is the ideal place to find critical parts, display your company's capabilities and advertise to the industry. In addition, ILS Supply Chain Management Solutions allow your company to manage inventory, sales, procurement and streamline manual documentation processes.

**Separate your company from the competition.**

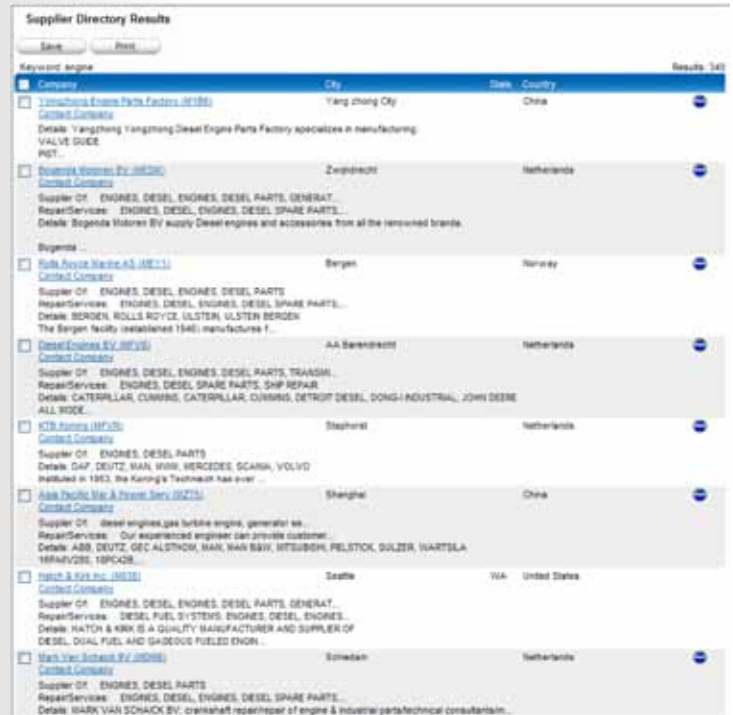

ILSmart provides your company a profile page on which to list your full capabilities. Potential customers will see this information when using keywords to search ILSmart for the services you offer.

Take advantage of ILS Banner Ads to advertise your company's services to targeted customers. These banners will appear when ILS users search for services that are listed in your company's profile.

With ILS Supply Chain Management Solutions, your company can handle inventory, sales and procurement management and repair order processes in one integrated system. The repair management portion includes:

- Work Order/WIP Management
- Return/Exchange/Core Management
- Tech Publications Management
- Material Forecasting
- Complete labor analysis based on job or category
