

Increase revenue by gaining visibility to buyers worldwide.

- Sell to global customers 24/7
- Compete more effectively
- Advertise to targeted audiences
- Manage inventory more effectively

Inventory Locator Service,[®] LLC (ILS) is the premier supply chain solutions company, with marine customers worldwide. The ILS Marketplace (ILSmart) is a large procurement network, providing suppliers the ability to become more visible and expand into global markets. ILSmart helps suppliers target and tap into specific market segments and increase sales.

ILSmart streamlines sales communications with an online RFQ and Quote system, saving your company time and resources, while increasing sales. ILSmart captures RFQ and Quote history, allowing you to analyze trends and manage customer relationships.

Create an online catalog with ILS and provide customers an easy way to view your company's products and services. ILS catalogs can be displayed on your corporate web site as well as on ILSmart.

Creating an online catalog through ILSmart can:

- Easily Provide product information to customers
- Simplify how customers send RFQs
- Reduce cost by eliminating the expense of printing, mailing and updating your traditional catalog
- Improve your customer service by data entry errors

ILS Message Broadcasts alert ship owners and managers to the products you are selling. You can also add attachments to improve your Message Broadcasts, including images or critical documentation.

Additional Services

Banner ads provide additional selling opportunities. Smart Banners can be targeted to appear when specific parts or keywords are searched on ILSmart.

With our Supply Chain Management software, manage your inventory as well as your sales and procurement processes.
