

# TECHSTREET® BUILDINGBLOCKS

BUILD A BETTER STANDARDS SUBSCRIPTION

## THE ONLY "BUILD AS YOU GO" INFORMATION SOLUTION

Techstreet® Subscriptions allows you to speed delivery of industry codes and standards to everyone in your organization – regardless of where they work. And with Techstreet BuildingBlocks, you have the freedom to add specific standards to your subscription as you go. Simply choose a publisher, purchase blocks of content and download exactly the standards you need. As projects and priorities shift, you can quickly and easily customize your standards collection to stay on track.

## DISCOVER THE BENEFITS OF TECHSTREET BUILDINGBLOCKS

Get the specific standards you need, when you need them with this flexible "build as you go" solution.

- Get going right away with fast, easy access to standards
- Choose the standards essential to your organization – don't pay for large packages or documents you don't need
- Download new documents as your project requirements change – you aren't required to specify titles up front
- Immediately add content to your subscription, without calling customer service

## GET INSTANT ACCESS TO STANDARDS

Techstreet BuildingBlocks provides the fastest enterprise access to standards. You can download required documents directly, eliminating the need to call customer service and wait for them to be added to your subscription collection.

Here's how it works:

- Choose the publishers pertinent to your organization
- Purchase blocks of documents by publisher – you select the quantity based on your project requirements
- Browse online catalogs and download documents as you need them
